

Preparing children and young people (3-18) for the world of work

Developing the Young Workforce

Children and young people develop interests, strengths, skills and aspirations through experiences as part of the curriculum and life beyond school. A range of partners support these exciting journeys through co-design and co-delivery and together shape children and young people's decisions about their future and the pathways they follow. Where will these journeys take children and young people and how can **YOU** contribute?
